

GREEN VALLEY DECORATIVE ROCK TERMS & CONDITIONS

ALL SALES ARE FINAL.

GVDR IS NOT RESPONSIBLE FOR VARIATIONS IN MATERIAL SIZE, COLOR, OR FINES.

Material returns are not accepted. Our material is sold as it is in the stockpile at the time of pick up or delivery. Your purchase of material is your approval of the material as it is in the stockpile. You are encouraged to inspect the material in the stockpile to your satisfaction. Green Valley Decorative Rock makes no guarantees of the exact size, color shade, or fines included in the material.

MATERIAL COLOR

Rock, sand, gravel, and aggregates are naturally mined materials. Shades and sizes can vary as the quarries mine different veins of rock in the mountain. This can create variation in color for rock – even for material mined at the same quarry. New rock has also not weathered or sat in the brutal Arizona sun. Please keep this in mind when trying to match existing rock. **A perfect match to existing rock is very rare and unlikely – especially if the existing rock is months or years old.** The color shades change over time... sometimes suddenly. Please inspect the stockpile to your satisfaction.

FINES

Screened material may contain up to 30% fines. Minus material may contain up to 80% fines. Green Valley Decorative Rock cannot control the percentage of fines in a particular screened rock. The stockpile consists of material exactly as it is received from the quarry. Some quarries have better screening processes than others and weather like rain can contribute to the percentage of fines in screened material. Please inspect the stockpile to your satisfaction.

DELIVERY

Standard delivery is curbside in the street. Customers will be required to sign a waiver for deliveries that require the material to be dumped elsewhere on the property. Delivery completion is at the full discretion of our team. If GVDR drivers determine there is a risk of damaging the property or GVDR equipment, we will not be able to complete the delivery and the customer will be responsible for the delivery fee. Fuel surcharges may be added depending on market prices for fuel.

YOUR PURCHASE OF MATERIAL AND/OR ACCEPTANCE OF DELIVERY REPRESENTS YOUR APPROVAL OF THE SIZE, COLOR, AND TYPE OF MATERIAL PURCHASED AND/OR DELIVERED.
